Huddersfield Narrow Canal

Different birds have different skills to help them catch their next meal.

Hérons can stand extremely still.

Kingfishers move incredibly fast.

How about you? Do you dart around as fast as a kingfisher or do you like to be still?

Find a feather, draw it here.
Who does it belong to?

Woods

Who else is exploring these woods?
Find a footprint to give you a clue.

Draw the footprint here,
can you guess whose it is?
